Mission Statement

Welcome to the International Chiu Chuk Kai Tai Chi Praying Mantis Association (Hong Kong headquarters) website.

This site is dedicated to the memory of Grandmaster Chiu Chuk Kai who is survived by his wife Mrs. Chiu Lum Miu Ling and his son Chiu Hon Lun, Alan. It was Grandmaster Chiu's wish to unite all of Tai Chi Praying Mantis practitioners as one family. Grandmaster Chiu's widow and his son aspired to carry out his final wish. Since the millennium year, Mrs. Chiu Lam Miu Ling and the only son of Grandmaster Chiu, Alan Chiu, have developed the concept of "International Chiu Chuk Kai Tai Chi Praying Mantis Association" and a corresponding website in Hong Kong. They have led the operation for the emerging organization. Following the strict discipline of the late Grandmaster, with united efforts, the organization is to nurture a new generation of authentic and outstanding Chiu Chuk Kai Tai Chi Praying Mantis practitioners, who will uphold the tradition and reach out to all Kung Fu communities in the spirit of knowledge exchange, promote unity of brotherhood, and creating new bonds of friendships.

Since Grandmaster Chiu Chuk Kai passed away on August 4, 1991, his students have been preoccupied with other work and careers. This brings the operation of the former Alumni almost to a halt nearly fifteen years long. In the beginning of 2006, a meeting of the students of the late Grandmaster Chiu was held and a resolution was reached. It recognizes the amount of work and difficulties of connecting all of the late Grandmaster's students; therefore, the meeting adopted the resolution of forming "International Chiu Chuk Kai Tai Chi Praying Mantis Association" and a corresponding website in Hong Kong, which will be officially open on January 1, 2007, headed by Alan Chiu. The primary objective is to connect our members of the Kung Fu family all over the world and to provide a platform for information exchange. It is the continuous and collective effort of the "International Chiu Chuk Kai Praying Mantis Association" under the leadership of Mrs. Chiu Lam Miu Ling and Mr. Chiu Hon Lun to organize precious information, unify curriculum, establish an examination standard, and host various events. Most important of all it is to nurture the next generation practitioners, who will carry the torch of CCK TCPM.

As we look forward to the future, the worldwide representatives of will take turn to host tournaments and various events. This collective effort will help spread CCK TCPM worldwide. It is with great endeavors that we step forward into the new era facing challenges such new trends and new technologies. Finally, the Association wishes to reach out to all of our member schools globally and endeavors to provide a modest funding annually through fund raising efforts as a token of filial piety for the widow of Grandmaster Chiu. Thank you for supporting the project.
